MEDIA RELEASE

Meals on Wheels thanks its volunteers

Last Wednesday Eurobodalla Meals on Wheels thanked its volunteers for the work they undertake.

This annual occasion was held at the Moruya Jockey Club Members Lounge.

“We are most grateful to the Moruya Jockey Club for allowing us to use the room and for their support,” said Manager Alan Russell.

Over fifty volunteers attended along with the NSW Network Leader for the region, Fiona Scott, who travelled down from Canberra.

The volunteer team was thanked for their work by President Phil Armstrong. He said the volunteers were to cornerstone of the local organisation in our local community and throughout Australia.

“We cannot forget the wonderful work you do nor the volunteers everywhere,” said Mr Armstrong. He also thanked the volunteers from Moruya Rotary who had catered for the afternoon and who had generously provided for the guests.

Alan Russell presented EMoW Awards to volunteers for some of their ‘special’ actions over the year. These fun awards are always enjoyed by the volunteers as silly moments are recalled.

The President thanked a number of volunteers for their years of service with special certificates.
